

Coaching Expectations: **Uniforms and Equipment**

1. Uniforms

- a. AA, AAA and Majors managers will be issued team jerseys and hats to distribute to players prior to the first game
 - i. Managers are expected to;
 - 1. Record the number assigned to every player
 - 2. Submit team roster with assigned numbers to League Equipment Manager prior to the first game played
 - 3. Return any unassigned jerseys and hats to League Equipment Manager prior to the first game
 - 4. Gather all issued jerseys following the last game and return to the League Equipment Manager
 - a. All jerseys will be returned either;
 - i. On the Equipment Return Day
 - ii. By scheduling return with League Equipment Manager within 2 days of final game
- b. A and Tee Ball will be issued jerseys and hats to distribute to players prior to the first game
 - i. A and Tee Ball Uniforms are kept by players and do not need to be returned

2. Equipment

- a. Peabody Little League invests in player and field equipment. It is not your equipment to keep after the season
 - i. League equipment is inventoried at the start of the Spring Season, at the conclusion of various playing seasons and at the annual Fall Clean-up and Closing
 - ii. Care for equipment as if you bought it with your own money
 - iii. Failure to properly care for League equipment is grounds for removal of team assignment and/or rejection from future coaching opportunities
- b. Peabody Little League will issue team equipment and community equipment
 - i. Community equipment will be housed in shared storage
 - 1. Community equipment includes;
 - a. Bucket(s) of practice balls
 - b. Bagged set of catcher's gear
 - c. Catcher mitts
 - d. Bat Racks
 - e. Helmet organizers

- i. Mac and James St only
- f. Game Balls
 - i. James St and Mac
 - 1. Notify Level Coordinator and Equipment Manager if there is less than a dozen game balls in trailer
 - ii. Carroll Savage and Welch/O'Connor B
 - 1. Notify Level Coordinator and Equipment Manager if there is less than 6 game balls in storage bin
 - 2. Must be returned to shared storage after every use
 - 3. Must be properly stored, organized and locked/secured
 - 4. Coaches must immediately notify Level Coordinator and Equipment Manager if equipment is not properly organized/returned and/or missing
 - 5. Coaches must immediately notify Level Coordinator and Equipment Manager if equipment is damaged
 - ii. Team equipment care and organization is the responsibility of team manager and coaching staff
 - 1. Must be returned to PLL at the conclusion of the season
 - 2. Coaches must immediately notify Level Coordinator if equipment is damaged or missing
- c. Pitching Machines
 - i. James St and MacArthur only
 - ii. Only coaches are to set-up, operate and breakdown pitching machines
 - 1. Players must never handle nor operate pitching machines
 - iii. Must be properly stored and secured after every use
 - iv. Extension cords must be neatly returned and organized after every use
 - v. Any issues with pitching machines must immediately reported to Level Coordinator and Equipment Manager
- d. Field Screens
 - i. James St and Mac only
 - ii. Screens are available to use during drills and batting practice
 - iii. Screens need to be returned and locked after every use
 - iv. Damaged, missing or unlocked screens must immediately be reported to Level Coordinator and Equipment Manager
- e. Rakes/Dags and tamper
 - i. James St and Mac
 - 1. Each field has multiple rakes, drags and a tamper available for field repairs
 - 2. Must be neatly organized and stored within storage container
 - 3. Must be returned to storage after each use; storage locked and secured

4. Damaged, missing or unlocked field repair equipment must immediately be reported to Level Coordinator and Equipment Manager
 - ii. Carroll Savage
 1. 3 rakes placed behind storage bins
 2. Must be neatly returned behind storage bins after every use
 3. Damaged or missing rakes must be immediately reported to Level Coordinator and Equipment Manager
 4. Tamper is stored in locked storage bin
 - iii. Welch/O'Connor B
 1. At this time there are no rakes or tampers housed at Welch/O'Connor B
- f. Field Lining carts
 - i. James St and Mac have dedicated field lining push carts stored within field trailers
 1. Carts must be neatly returned to secured trailer after every use
 2. Missing or damaged lining carts must be immediately reported to Level Coordinator and Equipment Manager
 3. Multiple bags of field chalk are stored with lining carts in trailers
 - a. Level Coordinator and Equipment Manager must be notified once stock of chalk dips to 2 bags
 - ii. Carroll Savage has a mini chalker stored within rectangular storage bin
 1. 2-3 bags of field chalk will be stored with lining cart
 - a. Level Coordinator and Equipment Manager must be notified once the last bag of chalk is opened
